Phoebe,

Unless we hear differently, we will move the [Administrative Record Index, OU 02, Administrative Access Order, September 10, 1993 \(Opening file 335KB with links to other PDF files\)](#)  to "Other Links" and add the new AR under "Administrative Records".

If we don't hear anything by COB Monday, please make the move.

Dave and Cindy - if we don't hear from you by Monday we will go ahead and relocate this 9/10/93 index to a separate place on the NPL pad. Chris - I'll let you pick the best place you think it should go.

Dave D.

▼ Christopher Ferry---06/25/2010 12:19:45 PM---Dave, In either case (2 or 4), we need to know which AR you would like moved or removed:

Dave,

In either case (2 or 4), we need to know which AR you would like moved or removed:

Administrative Records:

Administrative Record Index, OU 01 Upper and Lower Harbor, Record of Decision (ROD), September 25, 1998 (2,203KB) 		
Administrative Record Index and File, OU 01 Upper and Lower Harbor, Explanation of Significant Differences (ESD), September 27, 2001 		
Administrative Record Index and File, OU 01 Upper and Lower Harbor, Explanation of Significant Differences (ESD) August 2002 (394KB) 		
Administrative Record Index, OU 02, Administrative Access Order, September 10, 1993 (Opening file 335KB with links to other PDF files) 		
Administrative Record Index, OU 01, Administrative Order for Property Access, January 09, 2001 (307KB with links to other PDF files) 		
Administrative Record Index, OU 02 Hot Spot, Record of Decision (ROD), April 6, 1990 (Opening file 4.11 MB with links to other PDF files) 		
Administrative Record Index, OU 02 Hot Spot, Explanation of Significant Differences (ESD), April 27, 1992, Amended June 2008 (Opening file 259 KB with links to other PDF files) 		
Administrative Record Index, OU 02 Hot Spot, Explanation of Significant Differences (ESD), October 30, 1995 (360 KB) 		
Administrative Record Index, OU 02 Hot Spot, Record of Decision (ROD) Amendment, April 27, 1999 (1,654 KB) 		
Administrative Record Index, OU 01, Explanation of Significant Differences (ESD), March 1, 2010 (Opening file 117 KB with links to other PDF files) 		

I assume we wouldn't just choose the oldest since that's a ROD AR.

Subject: RTS 14248: New Bedford CAD Cell ESD for Public Comment AR

Dave,

As one of the final steps on the New Bedford ESD AR project, we are placing the AR Index (with links to all the AR documents) on the NPL Pad website.

Unfortunately the structure of NPL Pad only allows for 10 postings under the "Administrative Records" heading and there are already 10 AR Indices posted in that area.

This will not affect the posting of the AR index with links to the separate New Bedford Harbor website.

I am therefore asking for direction from you and the rest of the case team on how to handle this posting.

Options include:

forego posting the AR index on the NPL Pad page

remove one of the older AR indices in order free a 'slot' for this new AR

place this AR index under a different heading such as "Reports & Studies" or "Other Links"

move one of the older AR indices to a different heading such as "Reports & Studies" or "Other Links" in order free a 'slot' for this new AR

This problem should not occur again with the final ESD AR since, we will replace this public comment AR index with the final AR index.

I look forward to your guidance on this issue.

Thank you
